

System Manual:

Minimum hardware and software requirements:

Only Android devices

Operating System: Android Lollipop (minimum software required)

Minimum Storage: 12MB of free space

Internet Connection Required

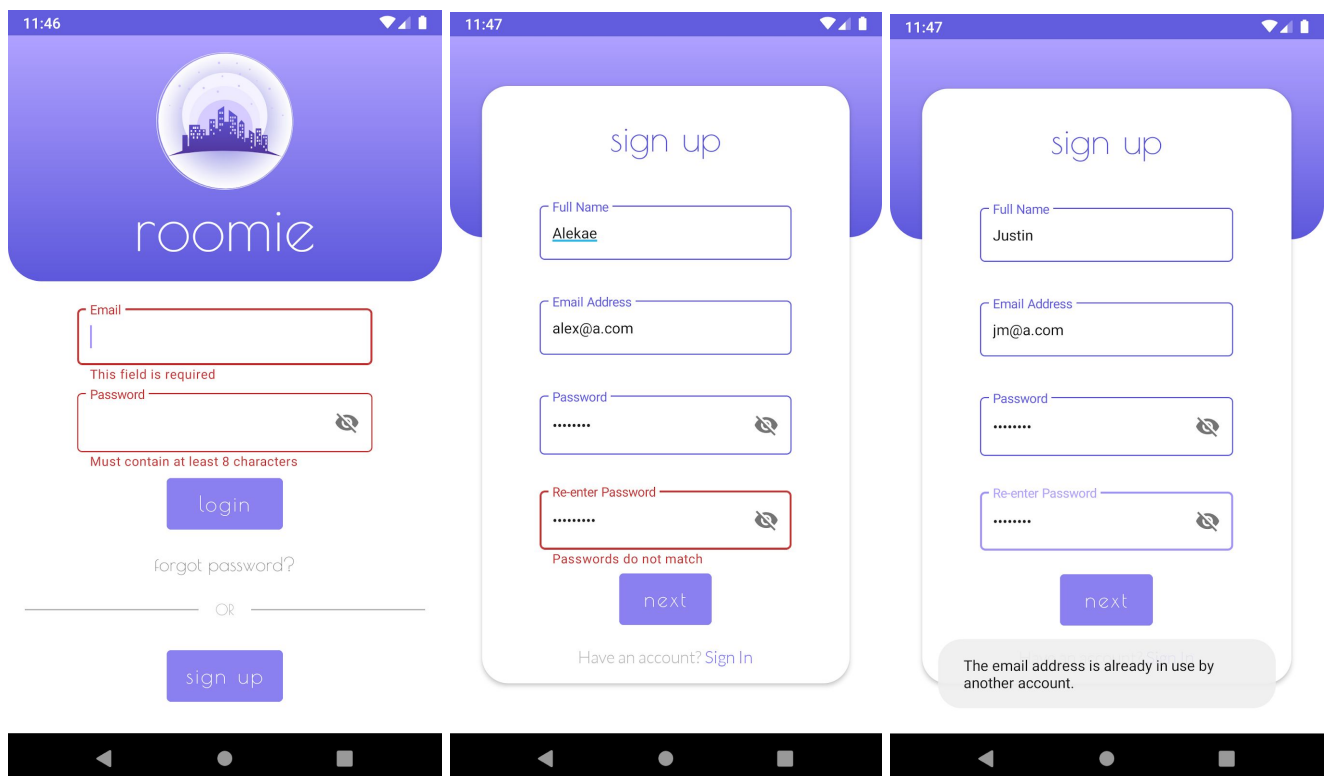

Install Roomie

Again, Roomie works on Android devices

1. Open the Google Play Store
2. Tap the Apps icon on the home screen
3. Tap the magnifying glass in the top right and type in “Roomie”
4. Tap the install button at the tap to start downloading
5. Once the download and installation are complete, tap the Open button in the Play Store listing, or tap the icon from the notification tray to open your app

Error messages and troubleshooting:

When signing up, a .edu email and at least an 8 character password are required. If these requirements are not met, an error message will appear, this can be easily fixed by entering the necessary inputs.
