

# User Guide:

## How to start the system:

After installation, you can search for the “Roomie” app through the search bar (if present in your phone) otherwise manually look for the app and click on it to open the app.

## Sign-up Screen

Upon opening the app, the first screen that opens up is the login screen.

If you are a new user follow these steps:

1. Click on the “Sign-up” button
2. Enter name and .edu email and create a password
3. Then select your gender, birthdate, and university
4. When redirected to login screen, enter previously created login information

## Swiping

1. Read the users' profiles and descriptions
2. Swipe right if you are interested in rooming with this user
3. Swipe left if you are not interested in rooming with this user
4. If you both swipe right, there will be a pop up that says "It's a match!"

**Viewing Other Profiles:**

1. If matched with a user, you can view their profile to see their interests and also read their bio.
2. To do so, tap on the user's small information box and you will be able to see the user's full profile.

## Messaging

1. Once you have matched with another user, you are able to message them
2. Click on the “message” button
3. Click on the user you want to message
4. Type your message in the text box
5. Click “send” when your message is ready
